

St. Mark's Men's Group

Program Year 2008-09

All men of the community are welcome to join us on the **2nd and 4th Saturday's** of the month in the library at St. Marks. We have coffee and bagels and some lively conversation. 1 hour sharp 8am—9am.

This year we are going to engage in a series called "Living the Questions," which features 30 of today's leading religious voices. Each 20-minute DVD segment includes conversations with leading voices of faith, sermons and lecture clips and stories illustrating aspects of faith and spirituality. From the Bible, to Jesus, to questions of evil and suffering and the existence of God, the series covers a wide and relevant range of topics.
