

All Things Bright and Beautiful

FLOWER PORTRAITS BY HESTER BURY

JUNE 25 - SEPTEMBER 15, 2023

RECEPTION AND ARTIST TALK FRIDAY, JULY 14 - 6:00 - 8:00 PM

I have been taking photos of flowers for more than 30 years when I discovered the macro lens.

I love to highlight individual blooms and never cease to wonder and be inspired by the unique colors and shapes that develop from tiny seeds into beautiful blooms. Flowers give me hope because every Spring I can look forward to them coming back to brighten our world. I hope these photos will inspire others to wonder at the uniqueness of flowers and remember their creator.

Framed photos are available for sale at \$100. All proceeds will benefit the Outreach programs at St. Marks.
